

Freedom's Wings Canada relies heavily upon the volunteer nature of Soaring Clubs. Most Soaring Clubs in Canada are not commercial operations and are operated through the efforts of club members. Freedom's Wings partners with local Soaring Clubs who provide the tow planes, pilots, instructors, ground crew, airfield infrastructure and in many cases the gliders. This partnership allows Freedom's Wings to dedicate its resources to support more Inspirational Flights.

Freedom's Wings Canada operates under the guidance of the Board of Directors of Youth Flight Canada Education Fund a registered Canadian Charity. The Board of Directors does not receive remuneration.

Volunteers are always needed at both the local Chapters operating out of the Soaring Clubs and in the areas of:

- Fund Raising - Planning and Events

- Identifying Grant and Bursary opportunities
- Preparation of Grant Applications
- Marketing
- Crafting Press Releases
- Videography

Freedom's Wings Chapters service the larger areas of Quebec City, Ottawa, Toronto, London, Calgary, Edmonton, Montreal and Vancouver through the local Gliding and Soaring Clubs.

How Can I Volunteer

- Contact the [Executive Director](#)
- Contact a [Local Chapter of Freedom's Wings](#)

To discuss starting a Freedoms' Wings chapter at your gliding club, please contact us by email at info@FreedomsWings.ca.
