

Chris - I had a FANTASTIC experience on Sunday. I'm very impressed with the Freedoms Wing's program and the professionalism of the York Soaring club. My flight was certainly the highlight of my year!!!! (if not in my life).

Do you have an email address for Charles Peterson from York Soaring and the last name of Bill from Freedoms Wings, address and email if possible. I'd like to thank them personally.

I also told Charles to let me know if he would like a letter of support to go along with the Trillium grant proposal. I will certainly mention the program to all our Special Skills clients in the area to check out the program once the aircraft is available. Let me know once the grant has been approved so I can be part of the program next year.

Thanks again for letting me be a part of this experience!
